Adopted: June 3, 2018

## **Article 1 – Organization's Name**

Bismarck Farmers Market: The Original Farmers Market shall hereinafter be the formal name of this organization as registered with the Secretary of State of North Dakota.

## **Article 2 – Purpose and Mission**

The purpose of the Bismarck Farmers Market is to provide area residents and visitors with a marketplace where they may purchase farm products, locally made handcrafted items, and foods made with local farm products. This directly supports North Dakota's local economy and provides consumers with the opportunity to have direct contact with these small local farm-based businesses.

## **Article 3 – Membership**

Farmers, artists, crafters, bakers, etc. may apply by filling out an application for review by the board of directors of the Bismarck Farmers Market. Applications are considered based on products complimenting our market. Products must be grown and produced locally within 75 miles of the market. No resale vendors allowed. It is the responsibility of the vendor to provide display materials, work cooperatively with surrounding vendors to provide a cohesive atmosphere for the market.

Members are expected to pay an annual fee of \$200 which provides market rent, insurance and membership in our parent organization, The North Dakota Farmers Market and Growers Association. **Please see guidelines and responsibilities on the back side of the vendor application.** The board of directors retains the right to accept or deny any applications based on market values. Membership dues must be paid by June 1 for an annual membership expiring May 31. A late fee of \$50 will be assessed after June 15.

New memberships will take effect June 1 of the new season regardless of when applications are accepted and dues paid.

Members must follow all North Dakota state regulations applying to the direct marketing agricultural and processed foods. Members are allowed to set their own prices and sell to their customers prior to and after each market.

Members will be given fair warning if they are found to be in violation of the mission, rules, regulations and bylaws of the market and state of North Dakota. After the third warning, vendors will be asked to leave the market and membership is revoked. Appeals to the board may be made in writing and consideration of admittance to the market upon revision of behavior will be determined by the board.

## **Article 4 – Board of Directors: Officers and their Duties defined**

The board of directors will be determined by volunteer or appointment by the slate of officers. Each vendor is allowed one vote per membership paid. Example: If you purchase two memberships, you will be allowed two votes. One space equals one vote.
